

Girls' DJ journeys in Bangladesh were not easy. It has not yet become very easy in all parts of Bangladesh. However, female DJs are currently getting a lot of good job opportunities both in and out of the country. Before we get into the journey of a female DJ in Bangladesh, let's define what a DJ is and what it takes to become a professional DJ.

**DJ:** We see a person with headphones on his ears playing music on a large keyboard at every New Year's celebration, wedding, birthday, and anniversary. DJ is an abbreviation for Disc Jockey. DJs are classified as radio DJs, club DJs, mobile DJs, turntables, and so on. DJs primarily use audio equipment. They give recorded music and song mixers a new dimension of sound. Electronic musical instruments such as drum machines and synthesizers are used in addition to DJ software. DJs, like other professions, commonly use the abbreviation DJ before their names.

### **The Rise of Female DJs in Bangladesh:**

Bangladesh's culture and surroundings made it challenging for girls DJs to start playing music there. Beginning in 2007, the first female DJs in this nation began to emerge. DJ Sonica, whose full name is Marzia Kabir Sonica, is the country of Bangladesh's first female disc jockey. The top 10 female DJs in Bangladesh, according to the most recent survey by the Bangladesh Disc Jockey Association, are DJ Sonica, DJ Maria, DJ Avila, DJ Christel, DJ Opurba, DJ Pori, DJ Priority, DJ Samanta, DJ Sumi, DJ Tanx Naira, and DJ Trisha. Let's know about their journeys.

### **DJ Sonica:**

DJ Sonica is said to be Bangladesh's first female DJ. Sonika began her career as a DJ in 2007. Previously, he received DJ instruction from DJ Rahat's DJ School Garage. He has worked in a variety of countries outside of Bangladesh. Performed with Indian artists such as Sonu Nigam. Also collaborated with world-renowned DJs such as Suketu, AKS, Bombay Vikings, Hard Kaur, Bally Sagoo, and others. His performance at the 2011 World Cup Opening Ceremony was one of his career highlights.

Being a DJ, in DJ Sonica's opinion, is all about hard work and requires a lot of it. It has to do with both music and culture. There is no prospect for this profession unless the work on music is excellent. Working here is enjoyable but You must be aware of the preceding preparation because.

### **DJ Maria:**

DJ Maria, whose full name is Maria Ahmed, has been a DJ since 2008. She is regarded as the second-best female DJ in the industry right now, behind DJ Sonica. She is work in Hindi and Bengali and is able to perform in both. Hip Hop and RnB are her genres. She has also given numerous performances in India outside of the nation.
